MY PERSONAL STYLE

If you already know your personal style, you can skip over this section. See [How To Find Your Personal Style](https://classyyettrendy.com/2016/09/how-to-find-personal-style.html/) (https://classyyettrendy.com/2016/09/how-to-find-personal-style.html/) for photo examples of the following styles to choose from.

WORD ASSOCIATION

Write out a list of words that you associate with your style. Here's a few to get you started: classic, neutral, minimalist, feminine, casual, relaxed, preppy, vintage, boho, chic, artsy, sophisticated, tomboy

USE PINTEREST TO DISCOVER YOUR PERSONAL STYLE

2 - If you already have a Pinterest account, setup a Pinterest board and name it "My Style". When you find a photo that you like, save it to that Pinterest board. If you don't have a Pinterest account, you can sign up for one, which is free.

3 - When you have about 30 outfit photos saved, go to your Pinterest board and look at the photos you saved. Is there a consistent look to the photos? Do the photos match one of the styles below? Which style do you favor the most? Which style(s) fit your lifestyle?
